And now the games come thick and fast, or the snow!

The bad weather of January has seen a number of games postponed and rearranged. The pressure will be on as the games will now come thick and fast with at least 7 due to be played in the coming month. But it hasn't got off to a good start with the pitch covered in up to a foot of snow!

Nevertheless, what happens over the next few weeks will go along way in telling us just where we are likely to finish. The game against Kingstonian will be a real test as we pit our wits against the team at the top of the table but the game of the month will be the home match against Whyteleaf, our local rivals. Hopefully the snow will be gone and we will get a good crowd for the game brought forward to Friday evening and lets hope for 3pts too.

Thank you to those members who came along to the meeting we had after the Cray Wanderers game. You will have already seen the advertisement for our "Fans Forum" to held at the end of this month; our appreciation goes to Tim O'Shea who has willingly agreed to come along and field your questions and hear your comments and opinions. The great thing about football is that it is a game of opinions – what would we talk about if it wasn't for football?

We are also going to launch a new fundraiser at the game with Whyteleaf. A "50/50" draw, with tickets on sale before the game in the clubhouse and around the ground. 50% of the money raised will go into a cash prize with the rest to Rams Army funds – don't forget to buy your tickets at 50p each.

And finally, we have passed on the request for a 'real ale' in the bar. Having approached the Board and they have promised to look into it but with one condition... we have to make sure we drink it up!!! Hopefully we will see the new beer on sale soon.

COME ON YOU RAMS!
